Projects

FeedMe
https://github.com/someseananigans/feedMe | https://feedmepics.herokuapp.com/
- A MERN stack web application with the emphasis on posting food related images. Users can toggle between post feeds and has the ability to follow users, create posts, and like/comment.
- Features authentication and uses JWT tokens to keep users logged in for a certain duration.
- Technologies: MongoDB, ExpressJS, ReactJS, NodeJS, Firebase, Material UI, Passport JWT

FreeMarket
https://github.com/someseananigans/FreeMarket | http://thefreemarket.herokuapp.com/
- A used item application that connects users with prospective "buyers."
- Follows RESTful principles and AJAX techniques for seamless API Calls. Registered users have the ability create, edit and search for listings as well as manage their account.
- Technologies: MySQL, JavaScript, NodeJS, ExpressJS, CSS3, HTML5

Bartender's Friend
https://github.com/Smeza314/Cocktail-Nutrition | https://smeza314.github.io/Cocktail-Nutrition/
- Cocktail recipe and nutrition search application built with Vanilla JavaScript, CSS and HTML.
- Utilizes Nutrionix and Cocktail DB APIs to generate recipes and nutrition details on recipe items.
- Technologies: JavaScript, HTML5, CSS3

Work Experience

English Teacher / Coding Educator
Nagai BOE: Chihou Elementary – Nagai, Japan (Jul 2017 – Aug 2019)
- Helped students develop critical thinking using coding blocks on Blockly and Scratch.
- Provided instruction and tutoring for students from ages 8 to 14 in speaking and writing English.
- Introduced modern teaching methods and technologies to English Lessons.

Administrative Business Analyst
Marvin Test Solutions – Irvine, CA *(Aug 2015 – Jul 2017)*
- Designed and organized new CRM setup for accounts and contacts eliminating duplicate data by 67% increasing lead outreach quality by 35% and reducing mailing costs by 20%.

Education

Bachelors in Business: Finance | California State University, Fullerton
- Magna Cum Laude, Dean's Honor List

Certificate in Full Stack Development | University California, Irvine
